T. R. Loudon, Fsc.,
President, Students' Council.

Dear Mr. Loudon:

I spoke to the Superintendent this morning about the request that was made by your committee that Christie might be given authority to act in co-operation with your Discipline Committee should such occasion arise for doing so. Mr. Campbell will speak to him about the matter, and you may take action on the line of your request.

I have also asked Mr. Campbell to set aside the room down stairs in the Undergraduates' Union for the use of students, and the upper rooms for the use of the Parliament.

Yours sincerely,

President.

Dear Mr. Loudon:

Mr. Langton has spoken to me about his being unable to get from you a volume that is immediately needed in the library. I am sure that you have overlooked his letter. The volume is Technolisches Wörterbuch. Will you kindly return the book to him?

Yours sincerely,

President.

T. R. Loudon, Esq.,
President, Students' Council,
University of Toronto.

Dear Mr. Loudon:

The Pursar tells me that no money has been paid for "Varsity" since January 17 and that there is a balance now due of \$1388. As it is now getting late the students will soon be going and I am afraid that unless the money is collected we shall be left in a serious condition. Would you kindly have the Executive of the Students' Council take the matter up and get them to have the collecting done as soon as possible? Naturally I feel myself in a way responsible for having allowed "Varsity" to go on and accumulate such a deficit, and the Board of Governors will expect that I shall give an account of the matter very soon.

With kind regards, I am,

Yours sincerely,

President.
